

Summer Sunday School Quarter

CLASS	TEACHER	ROOM	TOPIC
<i>"Radiant Life"</i>	<i>Jerry Wheeler</i>	<i>Chapel</i>	<p><u>Unit 1-Books of Samuel</u> The books of 1 and 2 Samuel cover a period of time in Israel from the end of the judges through the reigns of Israel's first two kings. The studies in this unit will focus on the major figures found in these books: Samuel, Saul, and David. We can learn a lot about how to live pleasing to God from the lives of these men.</p> <p><u>Unit 2-Sin and Holiness</u> These studies can lead us to examine how we live. Do we excuse our sins and try to discount their consequences? Are we striving to please God in everything we do, say, and think? Is the relationship we have with God influencing our relationships with others?</p>
<i>"M&M - Successful Living"</i>	<i>Pastor LaVonne Masters</i>	<i>Room 105</i>	Do yourself a favor: memorize and meditate on Scripture for healing, purpose and success.
<i>"Apprentice: Walking the Way of Christ"</i>	<i>Sue Robinson</i>	<i>Room 301</i>	This summer we are going to do one class for middle school, high school, and parents. We are going to work to bridge the gap of family spiritual growth. We will be starting the class with a small group curriculum called, "Apprentice: Walking the Way of Christ". So join us this June as we start a journey that will not just get you thinking but will get your whole family thinking together.
